## The recruitment process...

### We pride ourselves on delivering a complete recruitment solution.

All of our consultants have a transport background and possess an in-depth knowledge of the various working practises and motoring regulations.

Our consultants will interview, reference check and test each driver thoroughly before an assignment.

Testing takes place on a number of topics, including the Highway Code, daily vehicle checks emergency procedures.

### We undertake a stringent candidate screening process including:

- Thorough interview by an experienced consultant familiar with the transport industry.
- Copies taken of original driving licences and certificates plus quarterly DVLA Checks.
- Proof of eligibility to work and home address copied and checked.
- Recent photographs requested or taken.
- Medical questionnaire completed.
- Where appropriate driver assessment arranged.
- Tachograph and driver regulation test taken.
- References obtained.

### We offer our drivers:

- Full employment status - Self Employed and Temporary.
- Flexible or permanent positions to suit their lifestyle and needs.
- Very competitive rates of pay.
- A wide range of driving positions covering the South East region.

At registration we survey all of our drivers to ascertain which companies they wish to work for and/or for driving position they may be suitable for.

Bank of experienced driving personnel immediately available.

At A1 Drivers we aim to fill any vacancies our clients have whether it be temporary or permanent with extreme speed, efficiency and more importantly at highly competitive rates.
