

Why choose A1 Personnel Fork Lift?

Established over 20 years, with branch and onsite locations throughout Essex and Kent, recruiting in the manufacturing and supply chain sectors.

We have vast experience and are ideally placed geographically to service all your recruitment needs in the South East.

Quality Staff

With over 20 years experience recruiting in the manufacturing and supply chain sectors we have great insight into the calibre of staff you are looking for and go to great lengths to ensure we hit the mark first time.

Customer Benefits

All our customers benefit from a service that gives them access to full support including dedicated consultants available 24 hours 7 days a week and a dedicated Account Manager to look after your needs.

Partnership Approach

We take a partnership approach to our client and supplier relationships and are constantly managing and developing our services in line with our client's best interests.

Our Account Managers work closely with HR and Operational Managers to agree and maintain service level standards and deliver a recruitment service that meets your needs on an ongoing basis.

Need a Lift?

A1 PERSONNEL
FORK LIFT

Providing bespoke solutions to businesses across the South East

A1 Personnel Fork Lift is a dedicated division of A1 Personnel group supplying qualified FLT drivers to warehouses and factory, logistics and supply chain on a temporary and permanent basis.

We supply Fork Lift Truck Drivers for the following machinery:

- Counterbalance
- Reach
- Telescopic
- Rough terrain models
- Pedestrian pallet trucks
- Cherry pickers
- Narrow aisle lift trucks
- Lorry mounted lift trucks
- Side loaders
- Bendi

We supply a diverse range of companies with experienced FLT Drivers ranging from those with standard pump truck experience through to traditional counterbalance and reach in warehouses. We can also supply more specialist drivers with experience of heavy plant machinery and hazardous chemicals as well as crane operating.

All of our drivers are fully qualified and reference checked thoroughly with copies of both kept on file.

We offer our clients:

- Guaranteed 24 hours a day, 7 days a week, 365 days a year service
- Access to fully licenced and referenced Fork Lift Truck Drivers
- Immediate same day staff available
- Recruitment of both temporary and permanent Fork Lift Truck Drivers
- Out of hour's telephone number being answered by a consultant local to the client
- Single weekly invoice
- Onsite management

The recruitment process...

We pride ourselves on delivering a complete recruitment solution.

All of our candidates are thoroughly interviewed in person, fully referenced checked and their skills are assessed before a work assignment is offered to them. This means you benefit from high quality, well motivated, reliable and productive staff that integrate well with your own personnel and working procedures.

We undertake a stringent candidate screening process including:

- Thorough interview by an experienced consultant covering the warehouse and industrial sectors
- Proof of eligibility to work and home address copied and checked
- Recent photographs requested or taken
- Ensure that temporary workers are suitable for the assignment/s for which they are put forward
- Medical questionnaire completed
- References obtained
- Skill testing

Our other specialist sectors include: Onsite Management • LGV Drivers • Industrial
