

### Why choose A1 Personnel Industrial?

Established over 20 years, with branch and onsite locations throughout Essex and Kent, covering the Industrial and driving sectors. We have vast experience and are ideally placed geographically to service all your recruitment needs in the South East.

### Quality Staff

With over 20 years experience recruiting in the logistics and supply chain industry we have great insight into the calibre of staff you are looking for and go to great lengths to ensure we hit the mark first time.

### Customer Benefits

All our customers benefit from a service that gives them access to full support including dedicated consultants available 24 hours 7 days a week and a dedicated Account Manager to look after your needs.

### Partnership Approach

We take a partnership approach to our client and supplier relationships and are constantly managing and developing our services in line with our client's best interests.

Our account managers work closely with HR and Operational Managers to agree and maintain service level standards and deliver a recruitment service that meets your needs on an ongoing basis.

Providing bespoke solutions to businesses across the South East

Whether you are looking for one temp for one day or a team of warehouse staff for an indefinite period of time, finding quality temporary workers, particularly at short notice can be a difficult and expensive process. At A1 Personnel Industrial our experienced recruitment consultants can take care of this for you.

A1 Personnel Industrial is a dedicated and specialist division of the A1 Personnel group supplying candidates on a temporary and / or permanent basis to a wide and diverse range of businesses in the South East.

We source people for all levels of industrial personnel from warehouse and factory, logistics and supply chain on a temporary and permanent basis. Including:

- Warehouse Operatives / Pickers.
- Factory Operatives.
- Fork Lift Truck Drivers.
- Shift Supervisors.
- Management Staff.

### We offer our clients:

- Guaranteed 24 hours a day, 7 days a week, 365 days a year service.
- Access to fully referenced checked staff.
- Immediate same day staff available.
- Recruitment of both temporary and permanent workers.
- Out of hour's telephone number being answered by a consultant local to the client.
- Single weekly Invoice.
- Onsite management.

*"I just wanted to drop a quick note to pass my thanks to one of your temps, Dave Roberts. I was at the store in Harrow, Friday when the delivery arrived a cage short, he helped identify the issue and dealt with the problem promptly and professionally. I often receive negative comments about agency workers so I was pleasantly surprised with Dave's positive attitude."*

### The recruitment process...

#### We pride ourselves on delivering a complete recruitment solution.

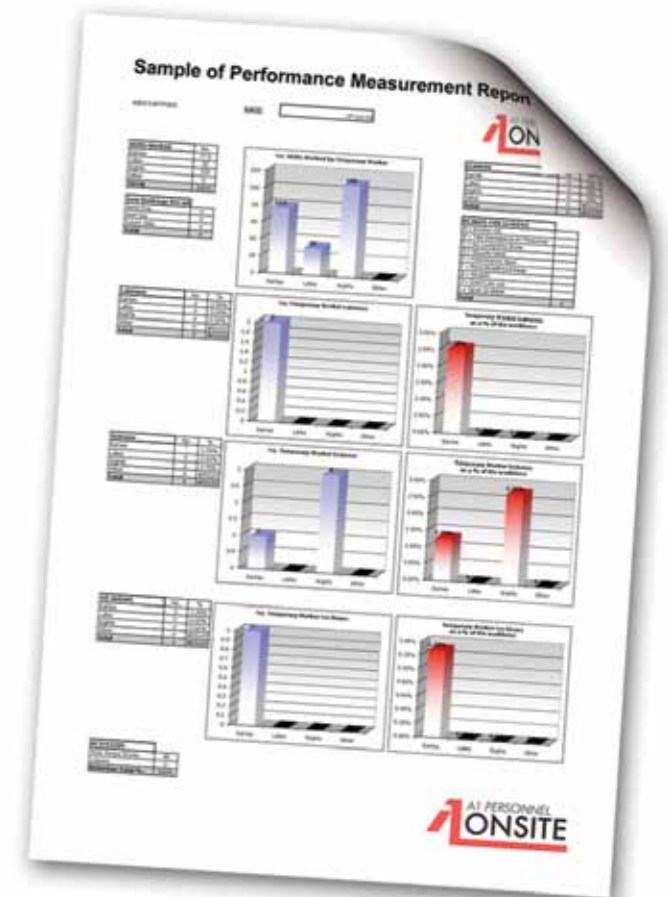

All of our candidates are thoroughly interviewed in person, fully referenced checked and their skills are assessed before a work assignment is offered to them. This means you benefit from high quality, well motivated, reliable and productive staff that integrate well with your own personnel and working procedures.

#### We undertake a stringent candidate screening process including:

- Thorough interview by an experienced consultant familiar within the Industrial recruitment sector.
- Proof of eligibility to work and home address copied and checked.
- Recent photographs requested or taken.
- Ensure that temporary workers are suitable for the assignment/s for which they are put forward.
- Medical questionnaire completed.
- References obtained.
- Skill testing.

#### Our other specialist sectors

- Onsite Management.
- LGV Drivers.
- Fork Lift Truck Drivers.

*"I must say I was very impressed with Maciej and to be honest not many people impress me. He was very hard working and extremely polite. Slotted straight in and got on with the job and worked well with my guys."*

*"We would be more than happy to have him again when required. Thank you."*
